WOOLGOOLGA NIPPERS

Woopi Nippers aims to encourage all children to do their best and develop to their full potential. Nippers will learn new skills, teamwork, and sportsmanship, while making lifelong friends and having fun. Our Nippers Program provides a safe and friendly environment where both Nippers and parents learn beach and surf safety, surf lifesaving skills and progress to becoming patrolling members of our club.

Woopi Nippers activities are held at Woolgoolga Main Beach on Sunday mornings commencing at 8:45am and finishing at around 11:00am. This season commences October 3rd 2021!

Volunteer Age Managers organise each age groups activities, which include surf education, beach flags, beach sprints, relays, swims,boards, wades, iron person and novelty events. Parents are more than welcome to join the fun.

Nippers are encouraged to train and compete at carnivals but can choose to just have fun participating in Nippers on Sundays at Woolgoolga Beach.
